Dear UNA USA Dane County Chapter Members,

On **Sunday October 22<sup>nd</sup>, 2023**, UNA Dane will celebrate United Nations Day **live** at Monona Terrace. Dr. Sumudu Atapattu will speak on “Environmental Sustainability and Human Rights”. A Silent Auction is also planned and has been a popular event in the past as well as a great fundraiser.

Please help us to make the Silent Auction a success by donating one or more suitable items.

To donate an item or items for auction:

1. Please complete this [short donation form](#) and include the requested information.
2. We need donated items by **October 8<sup>th</sup>** to be able to create our auction sheets and inventory. The items can be delivered to Linda Baumann’s home (718 W. Lakeside St., Madison, 53715)

With questions, please contact auction committee Co-Chairs Louise Lund (weezlund@outlook.com) or Linda Baumann (ljbauman@wisc.edu).

Looking forward to celebrating UN Day 2023 in person,
